

Cozumel

January 8, 2022 – January 15, 2022

Diver Price: \$1279 • Non-Diver Price: \$929
Per Person Double Occupancy

The Island of Cozumel is a place of legends. Thanks to a steady current, the waters are constantly being flushed, making for excellent visibility--100 ft plus--and ideal conditions for coral and sponge growth. Reef fish thrive here as well, protected by a 1980 ban on fishing along the southern coast of the island. Many of the dive sites are less than 1/2 mile from shore. Beautiful, crystal clear water, famous drift diving, and easy air connections from Little Rock. So, pack your bags and let us take you to the paradise, which is Cozumel!
